Life at WAHA

A beacon of healing, wellness, and innovation, WAHA connects remote communities with the care they deserve. With spellbinding views surrounding each site, team members bask in the tranquility of the land, juxtaposed against a bustling workplace busy addressing the complex needs of the region. Here, we work with purpose, knowing each action matters. Patients are neighbours, family, and colleagues. Each day brings a challenge- the good kind that stretches you, helps you grow, and makes you feel vital. These hurdles birth opportunities to problem solve, develop new skills, and explore new roles.
