EMPLOYMENT OPPORTUNITY:

Title: Ultrasound Technologist (Sonographer)
Division: Clinical Services
Affiliation: Public Service Alliance of Canada
Site: Moose Factory, ON
Reports to: Director of Clinical Resources
Status: Permanent Full-time

Weeneebayko Area Health Authority (WAHA) is now accepting applications for experienced professional to fill the key role of **Ultrasound Technologist (Sonographer)**.

Life at WAHA

A beacon of healing, wellness, and innovation, WAHA connects remote communities with the care they deserve. With spellbinding views surrounding each site, team members bask in the tranquility of the land, juxtaposed against a bustling workplace busy addressing the complex needs of the region. Here, we work with purpose, knowing each action matters. Patients are neighbours, family, and colleagues. Each day brings a challenge- the good kind that stretches you, helps you grow, and makes you feel vital. These hurdles birth opportunities to problem solve, develop new skills, and explore new roles. Here, we step into a version of ourselves once forgotten, overshadowed by the daily grind, and rediscover a deep connection with ourselves, the land, and each other. Here, we experience work with wonder. **#WeAreWAHA**

What We Do

There has never been a more exciting time to be at WAHA. We are an integrated health system providing the full continuum of care to the six communities of the western James Bay coast with over 500 employees, physicians, and partners in care. As a health authority, you will work in a unique setting where you have the opportunity to care for patients in all phases of their life journey, in all areas of their health experience. From Primary, Acute, and Mental Health, Dental, Specialty Clinics, Population Health and the WAHA Paramedic Service, the opportunities for growth are boundless. We provide community-based programming in all six of our communities, have six paramedic bases, three hospitals, four emergency departments, one community health centre and a total of 72 beds. Our guiding goal is to be a centre of excellence in Indigenous and remote healthcare. To make this goal a reality, we have formed partnerships with other centres of excellence to remove barriers and eliminate the inequity of health services access that have long impacted the patients that we serve.

At WAHA, we are leading the way in health transformation. Come and immerse yourself in the local Cree culture, work with dedicated and passionate colleagues, and live in beautiful northern communities with amazing community members. Our mission is to provide optimum healthcare as close to home as possible. You can be part of this rewarding experience. Come and find your adventure in the north.

Who You Are

- Demonstrated ability to work within team, while supporting each member in their roles
- Excellent verbal and written communication skills and interpersonal skills
- Ability to adapt to new and fast-changing settings
- Ability to live in a remote and isolated community

What You'll Do

- Provides ultrasound, electrocardiogram and Holter monitoring services to patients upon referral from the medical staff in accordance with established policies and procedures of the Diagnostic Imaging Department. Training will be provided as needed
- Must possess extensive knowledge of human anatomy and physiology, of ultrasound assessment, ultrasound equipment and infection control procedures
- Training and experience working with computers, software and scanners

What You Bring

- Graduated from a recognized accredited college/university program in Diagnostic Medical Sonography.
- Member of the CMRITO
- Continuing education annually as required by the CMRITO
- Previous experience as a technologist in a hospital setting
- X-ray and/or mammography training is an asset
- English is essential for this position
- Ability to communicate in the local native Cree language is an asset

Why Choose Us

- Hospitals of Ontario Pension Plan
- Group health, welfare, and Employee and Family Assistance Program Benefits
- Relocation paid by the organization

Posted January 15, 2025

- Housing provided by the organization
- Annual retention bonus, a northern living allowance, and vacation travel bonus (all pensionable earnings)
- Be part of an organization leading health transformation in the remote north

Salary: \$77,610.00 - \$107,172.00

How to Apply
