EMPLOYMENT OPPORTUNITY:

Title: Medical Laboratory Technologist (MLT)
Division: Clinical Services
Affiliation: Public Service Alliance of Canada
Site: Moose Factory, ON
Reports to: Manager of Laboratory Operations
Status: Permanent Full-Time

The **Weeneebayko Area Health Authority (WAHA)** is seeking an experienced professional to fill the key role of **Medical Laboratory Technologist (MLT)**.

Life at WAHA

A beacon of healing, wellness, and innovation, WAHA connects remote communities with the care they deserve. With spellbinding views surrounding each site, team members bask in the tranquility of the land, juxtaposed against a bustling workplace busy addressing the complex needs of the region. Here, we work with purpose, knowing each action matters. Patients are neighbours, family, and colleagues. Each day brings a challenge- the good kind that stretches you, helps you grow, and makes you feel vital. These hurdles birth opportunities to problem solve, develop new skills, and explore new roles. Here, we step into a version of ourselves once forgotten, overshadowed by the daily grind, and rediscover a deep connection with ourselves, the land, and each other. Here, we experience work with wonder. **#WeAreWAHA**

What We Do

There has never been a more exciting time to be at WAHA. We are an integrated health system providing the full continuum of care to the six communities of the western James Bay coast with over 500 employees, physicians, and partners in care. As a health authority, you will work in a unique setting where you have the opportunity to care for patients in all phases of their life journey, in all areas of their health experience. From Primary, Acute, and Mental Health, Dental, Specialty Clinics, Population Health and the WAHA Paramedic Service, the opportunities for growth are boundless. We provide community-based programming in all six of our communities, have six paramedic bases, three hospitals, four emergency departments, one community health centre and a total of 72 beds. Our guiding goal is to be a centre of excellence in Indigenous and remote healthcare. To make this goal a reality, we have formed partnerships with other centres of excellence to remove barriers and eliminate the inequity of health services access that have long impacted the patients that we serve.

At WAHA, we are leading the way in health transformation. Come and immerse yourself in the local Cree culture, work with dedicated and passionate colleagues, and live in beautiful northern communities with amazing community members. Our mission is to provide optimum healthcare as close to home as possible. You can be part of this rewarding experience. Come and find your adventure in the north

Who You Are

- Demonstrate effective interpersonal communication skills in both written and verbal format, in a multidisciplinary capacity with medical and non-medical personnel
- To contribute to the effective operation of the laboratory
- To function as a part of a team and work independently
- To remain calm, focused, able to make quick judgements and decisions when involved in emergency situations
- To operate lab instrumentation to analyze and interpret results
- To operate computers
- To recognize atypical results and initiate appropriate action
- To multitask and prioritize large volumes of work in a timely and efficient manner
- To manipulate small samples and repair on delicate instruments
- To adapt to new technologies in a dynamic and challenging professional environment

What You Bring

- Diploma or Degree in Medical Laboratory Science from a recognized College or University
- Must be CMLTO registered and in good standing
- Must be certified with the Canadian Society of Medical Laboratory Sciences
- Experience in a general lab setting is an asset
- New grads welcome to apply
- English is essential for this position
- Valid Ontario Driver's License preferred

Why Choose Us

- Hospitals of Ontario Pension Plan
- Group health, welfare, and Employee and Family Assistance Program Benefits

Posted January 17, 2025

- Relocation paid by the organization
- Housing provided by the organization
- Annual retention bonus, a northern living allowance, and vacation travel bonus (all pensionable earnings)
- Be part of an organization leading health transformation in the remote north
- Ability to work with a purpose, connected to an amazing community and culture, with opportunities to learn and grow

Salary: \$75,816.00 - \$101,653.50

How to Apply

The successful candidate must provide a valid **Criminal Record Check** within a specified time frame.

Please apply in writing, providing three recent work references, quoting **Competition #2025-073** to:
