

PUBLIC NOTICE

INVITATION FOR PUBLIC COMMENT

Transport Canada's Navigation Protection Program (NPP) administers the *Canadian Navigable Waters Act* (CNWA) which helps keep Canada's navigable waters open for transport and recreation.

In accordance with requirements of the *Canadian Navigable Waters Act*, the Weeneebayko Area Health Authority (WAHA) hereby gives notice that an application has been submitted to the Minister of Transport for the below work(s):

Registry Number	NPP File Number	Project Description <i>(Please describe the work type, activity and status of work, i.e., existing, or proposed wharf, dam, etc.)</i>	Worksite Location <i>(Please provide name of waterway, geographic coordinates, lot number etc.)</i>
13986	2026-416697	WAHA is proposing to construct a new Transfer Unit in Moosonee to provide access to and from the hospital on Moose Factory Island to Moosonee. The development of the transfer unit will consist of a parking lot, dock and transfer unit shelter. The dock will be approximately 38 metres in length with a width varying between 24 m and 3.7 metres.	The proposed project is located on/adjacent to Moose River in Moosonee Ontario. The project is located at the southwest corner of the intersection of Airport Rd with Witigo Creek (51°17'02.1"N 80°36'55.2"W)

HOW TO COMMENT:

Comments about the potential effect of this work must be received in writing within 30 days of this posting.

We invite you to submit comments online through the online Common Project Search site (<https://common-project-search.canada.ca/>). To do so, enter the registry number or the NPP file number indicated above in the search box, select the corresponding result, and follow the instructions. Alternatively, comments can be mailed or emailed to:
